

CIR resolution no. 1/2016 of 22/3/2016

The Steering Committee for the Registro .it (CIR), meeting on 22/3/2016 in Pisa, decided on a majority basis to express their non-binding opinions to Registro .it and suggestions in accordance with the existing Rules of the CIR, in the form of “CIR Resolutions” and to assign to them a sequential number, with the character “/” and the year in which the resolution was voted on, followed by the date on which the resolution was approved on a majority basis by CIR (e.g. “CIR resolution no. 1/2016 of 22/3/2016”). These resolutions will be published on a dedicated page visible to the general public of the Registro .it website, at the same time as the publication of the minutes of the CIR meeting in which it is approved. The Registro, by means of its Director or a person designated by him, is invited, within 30 calendar days, to communicate the possible non-approval of the resolution, giving the reasons why, which will be published at the foot of the proposed resolution.
